Opis produktu

Discover the N-Gear Blazooka 830 - the ultimate portable Bluetooth speaker and karaoke set with illumination and a waterproof design. Rain or shine? With the Blazooka 830, you can turn any place into a party venue and enjoy wireless music playback and karaoke fun, supported by durable specifications.

Wireless Party

The N-Gear Blazooka 830 takes wireless sound to a new level. With a wireless range of 10 meters and an impressive 70 watts of output power (2 x 35W), this speaker effortlessly pumps out your favorite songs into the space.

Long-lasting Party Pleasure

With a playtime of up to 6 hours, you never have to worry about a dead battery. The Blazooka 830 keeps the party going, wherever you are.

Versatile Playback Options

This speaker supports various playback options, including USB, SD card, and AUX input. Play your music your way.

Karaoke Sensation

The Blazooka 830 comes with a wireless microphone, allowing you to unleash your inner rock star. Organize karaoke sessions wherever you like and share your singing talent with friends and family.

Impressive Sound

With high-quality, natural-sounding speakers, the Blazooka 830 delivers refined sound that brings your music to life.

Water Resistant

With IPX5 certification, this speaker is virtually impervious to water. Whether it's an intense workout, a downpour, or even spilled drinks, the Blazooka 830 can handle it all. Just remember not to submerge it for extended periods. Thanks to its waterproof design, this party speaker is ideal for outdoor events.

TWS Function

Pair two Blazooka 830 speakers for even more powerful sound. Make the party bigger and louder.

Disco RGB LED Lighting

Create the right atmosphere with vibrant RGB LED lighting that syncs with your music. Set the dance floor on fire!
