Opis produktu

ELDEN RING

Elden Ring has everything that long-time FromSoftware fans have come to love about its games: challenging yet rewarding boss battles, fantastical world design and tight combat controls that make every enemy encounter memorable. But this isn't your average 'Souls' game. Expect a huge and diverse open world to explore, stealth gameplay, an overhauled approach to multiplayer, new movement mechanics and a steed called Torrent to aid you on your journey. This all combines to offer a new degree of freedom compared to its predecessors, making Elden Ring perhaps the most accessible 'Soulslike' for newcomers to the genre in years.
