Numer katalogowy	1444124

## Opis produktu

The **Nitecore TINI3** is a compact and powerful **keychain flashlight** designed for everyday carry (EDC). It's known for its impressive features packed into a very small form factor:

- **High Output:** Despite its size, it can produce up to **600 lumens** of brightness.
- **Multiple Color Temperatures (MCT):** A standout feature, allowing users to switch between warm (3000K), neutral white (4500K), and cool white (6500K) light to suit different situations.
- **OLED Display:** Provides real-time information on brightness level, battery percentage, and estimated runtime.
- **USB-C Rechargeable:** Features a built-in 330mAh Li-ion battery and a modern USB-C charging port for convenient and fast charging.
- **Durable Build:** Constructed from aerospace-grade aluminum alloy, it's resistant to impacts (up to 2 meters) and has an IP54 rating for water and dust resistance.
- **Compact & Lightweight:** Weighs only **20 grams (0.71 ounces)** and measures approximately 47.2mm x 25.4mm x 14.0mm (1.86" x 1.00" x 0.55"), making it ideal for attaching to a keyring without adding bulk.
- **Dual-Button Interface:** Offers intuitive control over its multiple brightness levels and features.
