Opis produktu

This easy-to-use GPS smartwatch is designed for people of all skill levels to track their stats and chase their fitness goals.

- Track your time, distance, pace and speed during your run or walk with built-in GPS.
- Get up to 2 weeks of battery life. Because less charging is always a good thing.
- Monitor your overall health and wellness with wrist-based heart rate and more.
- Take guesswork out of training. This smartwatch suggests runs tailored to you.
- High-end running features help you meet your potential. Minus the high-end price tag.
- Track more than just running with an array of built-in activity profiles.
