### Opis produktu

Pushing toward the podium? Get this lightweight smartwatch on your wrist. Train your best, perform your best, and put yourself in the running at your next race.

- Get up to 15 days of battery life in smartwatch mode for a full picture of your health — from sleep to training.
- Swipe through stats and maps with a new, responsive touchscreen.
- Confidently run any route using full-color, built-in maps and multi-band GPS.
- Know when you're primed for a productive session with training readiness.
- Plan your strategy with daily suggested workouts, course details and more on the race widget.
- Know if you're undertraining or overdoing it, with an improved training status feature.
