Opis produktu

GARMIN SMARTWATCH VIVOMOVE STYLE

This refined hybrid smartwatch combines the traditional look of an analog watch with the essential smart features you count on to keep up with your busy life.

- Stylish analog watch design with a smart twist.
- Secret screens? Yes, please. Tap to reveal dual-color touch displays.
- Reading your texts¹ is as simple as raising your wrist.
- Looks aren't everything. Track your health and fitness, too.
- Groceries, coffee, impulse purchases — whatever. Pay with your watch².
- A charging cord is never a hot accessory. Get up to 5 days of battery life.
